

House of Delegates

Frequently Asked Questions

2026 ASHP Virtual House of Delegates

Why does ASHP conduct a virtual (online) House of Delegates?

The virtual House of Delegates allows ASHP to take final policy action without waiting until June every year.

When does the virtual House of Delegates take place?

The virtual House of Delegates is scheduled for March, May (tentative), and November 2026 (see key dates below).

How does the virtual House of Delegates work?

Policy recommendations will be posted to the [ASHP House of Delegates website](#) and [ASHP Connect](#) in advance of the virtual House. Delegates will receive an email message from the Chair of the House alerting them to the posting. Delegates will then have an opportunity to debate the recommendations on ASHP Connect. Delegates will receive another email message with detailed instructions for secure online voting, which will take place over a week (see key dates below). Policy recommendations approved by $\geq 85\%$ of delegates voting will become ASHP policy. Those not reaching that level of consensus will be further considered by the House of Delegates in a session later this policy year.

Will there be live debate or amendments at the virtual House of Delegates?

No. Delegates are encouraged to debate the merits of policy recommendations on [ASHP Connect](#). Due to the constraints of online voting, no amendments may be made. Delegates who think an amendment is necessary should encourage their fellow delegates to vote against the policy recommendation. Only policy recommendations approved by $\geq 85\%$ of delegates voting will become ASHP policy. Those not reaching that level of consensus will be considered by the House of Delegates in a later session. Policy recommendations for which amendments are submitted will be considered at the live meeting the following June and may be amended then.

Who may vote in the virtual House of Delegates?

Delegates, including fraternal delegates, past presidents, the ASHP Board of Directors, section and forum representatives, and delegates elected by their state affiliates, who are eligible to serve in the 2026 House of Delegates may vote. Due to the constraints of electronic voting, no changes to the delegate roster can be made after 1 pm ET one week before voting begins (see key dates below). Alternate delegates are not eligible to vote. An alternate delegate who officially takes the place of a delegate becomes a delegate and is then eligible to vote.

What should I do if I can't serve at the virtual House of Delegates?

State delegates who cannot serve are requested to contact their state affiliate to request that an alternate delegate be appointed to serve. State affiliates are asked to provide alternate delegate credentials and information to ASHP 10 days in advance of voting to ensure that the alternates may vote. Similarly, other delegates should contact ASHP to arrange for an alternate delegate to serve if they are unable to.

Do I have to be online at a specific time?

No. Delegates may vote any time during the week that voting is open (see key dates below).

What if I forget to vote?

Delegates will receive an email from the Chair (hodchair@ashp.org) one day before voting starts with information on how to vote. Those not voting will receive periodic reminder emails until voting closes.

Can I change my vote?

No. Delegates may only vote once. Before their vote is recorded, they have an opportunity to review, confirm, or change their ballot choices. Once a vote is cast, it is immediately recorded and cannot be changed.

Can I see how voting works?

Yes. An online voting simulation is available at: <https://demo.simplyvoting.com/>.

How will I find out about the results of the virtual House of Delegates?

The Chair of the House will send an email message to delegates regarding the results of voting, and the results will also be made available on the ASHP House of Delegates website. Only aggregate results (i.e., whether the recommendation received $\geq 85\%$ of the vote) will be reported; how each delegate voted will not be included.

Key Dates for 2026 House of Delegates	
	March Virtual House of Delegates
January 16	Deadline for State Delegate Certification
Early February	Welcome Message from the Chair
Mid-February	March vHOD Policies Posted on Connect for Debate
Late February	Regional Delegate Conference Information Available
