

## Gloria Niemeyer Francke

These materials in the Gloria Niemeyer Francke Special Collection, reflects a wide variety of activities she participated in. Gloria Francke donated these items to ASHP in multiple batches –first records show gifts from 1992 and the last donation, which included a diamond watch from 1952, in 2007. The items donated are listed below.

Also, included in this collection are some materials from her husband, Donald E. Francke. This is a collection that Gloria Francke deemed appropriate for ASHP. She has also deposited items in other library holdings.

She remained active in the pharmacy world until her death on August 3, 2008.
