WHAT STUDENTS SAY

As a first-year student pharmacist, I was overwhelmed by the number of professional pharmacy organizations and wasn't sure which ones were **RIGHT FOR ME**. I really appreciated my complimentary ASHP P1 membership. It took the pressure off and made the choice easier.

YOUR FIRST YEAR IS FREE

Join ASHP **FREE** for your **P1 year** and get early access to the resources that help you stand out.

SHINE ON AT MIDYEAR

COME TOGETHER at the world's largest gathering of pharmacy professionals and students — and the best place to make connections that can shape your future. For P1 pharmacy students, the Midyear is where you can gain an early advantage, expand your professional network, and start building the foundation for your successful pharmacy career.

The Midyear offers incredible professional opportunities for **P1 STUDENTS**.

- ▶ **MEET** clinical pharmacists and health-system leaders. One conversation could lead to a mentor to guide your education and career.
- ▶ **DISCOVER** pharmacy careers you may not have considered before.
- ▶ **ATTEND** the Fellowship Open House to start building connections.
- ▶ **GAIN** confidence in professional spaces, and practice networking skills that will set you apart in future years.
- ▶ **PARTICIPATE** in the Student Kickoff & Midyear Workshop to learn how to turn a single authentic conversation into a meaningful connection.
