

MICROCREDENTIALS

PURPOSE	TIME TO COMPLETE	CE	WHAT YOU EARN
Develop knowledge & skills in a specific professional practice area.	Work at your own pace to complete module(s) and the exam on your own time.	Claim CE as you progress.	With a passing score, learners receive the microcredential.

CERTIFICATES

PURPOSE	TIME TO COMPLETE	CE	WHAT YOU EARN
Demonstrate increased knowledge and skills in a comprehensive professional practice subject.	Work at your own pace: complete the exam and other required practice exercises on your own time.	Claim CE as you progress.	With a passing score, learners receive an ASHP Professional Certificate.

CERTIFICATIONS

PURPOSE	TIME TO COMPLETE	CE	WHAT YOU EARN
Demonstrate highest level of knowledge, skills, and competency by earning an official credential that requires recertification.	Exam preparation and recertification follow a strict timeline established by accrediting body.	Preparation material is eligible for ACPE credit.	With a passing score, learners earn a professional board certification credential.
