

ASHP Accreditation Fee Schedule for Distance Learning Pharmacy Technician Training Programs

Please note that annual assessment fees are assessed from the date of ASHP’s receipt of the application for accreditation. ASHP’s billing is based on the calendar year (January – December). Thus, for example, a site whose application is received in April will be billed for three-fourths of the year, or if in June the site will be billed for one-half of the annual assessment rate. The only other assessed fee is the application fee, payable upon submission of the application for initial accreditation (on-site survey expenses are included in the annual assessment — there are no additional fees during the year of a program’s on-site survey). **Fees are nonrefundable.**
